### **Mckinney Trailer Rentals Announces New Maintenance Facility in Phoenix**

**Pico Rivera, CA** – *February 25, 2019* - Mckinney Trailer Rentals, a leading provider of trailer equipment rentals and leases announces completion of its new maintenance facility in Phoenix, Arizona. The new building compliments its 14-acre branch property, which has been in service for almost two decades.

“Demand for trailer rental and leasing has increased steadily in this area of the country and maintenance is a critical component for Mckinney. We are pleased to provide an energy efficient building that will benefit trailer rental customers in our region,” said Mckinney Phoenix Branch Manager, Devin Mills. “This project illustrates another way that Mckinney Trailer Rentals demonstrates its commitment to on-site company technicians and state-of-the-art maintenance shops.”

The 8,000-sf building includes a fiber optic internet connection, LED lighting and building technologies that increase energy efficiency while improving the comfort, health and safety of the employees. The high-tech facility features two fully-equipped indoor mechanics bays along with an outside bay which was designed for expansion to support future anticipated market growth. An expanded parts room, three offices, breakroom and storage areas complete the fully insulated and air-conditioned building. “We are excited to have the maintenance shop up and running,” said Service Manager Gonzalo Ortega. “The new facility will position Mckinney to provide more effective trailer repairs for our customers in the Southwest.”

Mckinney Trailer Rentals will be hosting an Open House on Thursday, March 7<sup>th</sup>, 2019 from 1 pm to 6 pm to showcase the new facility to customers and the Phoenix community. Mckinney will be providing food, give-a-ways and tours of the maintenance shop. For more information and to RSVP to the event, please contact the Phoenix Branch at 623-478-8770.
