

## FOR IMMEDIATE RELEASE

### Mckinney Trailer Rentals Releases Redesigned Website

**PICO RIVERA, CA** – *March 14, 2017* – Mckinney Trailer Rentals, a provider of trailer rentals and leases in the Western US and Texas, is excited to announce the release of their new website – [MckinneyTrailers.com](http://MckinneyTrailers.com), designed with a fresh, innovative look and improved overall customer experience.

"Mckinney Trailer Rentals has been in business for almost 30 years and prides itself on listening to our customers, maintaining first class service and adapting to new technology," said Lori Kincannon, Mckinney Trailer Rentals Corporate Marketing Manager. "The redesigned website is just another way to provide our customers with the finest equipment and services available in the industry."

New features of the website include:

- The Mckinney Customer Portal that provides access to on-hired equipment information, maintenance inspections, registrations and trailer tracking information
- Updated equipment pages containing specifications of all equipment types
- Video testimonials of Mckinney customers
- Mobile optimization
- Interactive map of Mckinney locations

The new website will provide customers and visitors to the site an enhanced user experience and will provide a more comprehensive source of company information and services.

**Mckinney Trailer Rentals**, headquartered in Pico Rivera, California, has been supplying quality equipment and reliable service since 1988. With thirteen locations, the company offers a fleet of over 24,000 dry vans, refrigerated trailers, flatbeds, curtain vans, chassis' and storage trailers.

Mckinney Trailers currently has branches located in Seattle, WA, Tacoma, WA, Portland, OR, Stockton, CA, Hayward, CA, Fontana, CA, Pico Rivera, CA, San Diego, CA, El Centro, CA, Phoenix, AZ, Dallas, TX, Laredo, TX, and Houston, TX.
